Future Programs

Festival celebrations 31st December

Republic day celebrations 26th January 2015

Department Vision

To empower students of Computer Science and Engineering Department to be technologically adept, innovative, global citizens possessing human values.

Department Mission

To Encourage students to become self-motivated and problem solving individuals.
To prepare students for professional career with academic excellence and leadership skills.
To Empower the rural youth with computer education.
To Create Centre's of excellence in Computer Science and Engineering

Editorial & Design Team:

Faculty: Ms.P.Sunitha,

Students:

Mr. B. Hitedh, -IV year,

WinRAR

WinRAR is a shareware file archiver and data compression utility by Eugene Roshal. It is one of the few applications that are able to create RAR archives natively, as the encoding method is held to be proprietary.

IEEE Transactions on Information Forensics and Security

IEEE Transactions on Information Forensics and Security is a scientific journal published by the IEEE Signal Processing Society (IEEE SPS). The journal is co-sponsored by several of the subject societies that make up the IEEE: IEEE Communications Society, IEEE Computational Intelligence Society, IEEE Computer Society, IEEE Engineering in Medicine and Biology Society and the IEEE Information Theory Society

Its inaugural issue was published in March 2006. Its current publication frequency is 12 issues per year.

The journal describes its scope as "the sciences, technologies, and applications relating to information forensics, information security, biometrics, surveillance and systems applications that incorporate these features.

The journal is indexed in Science Citation Index, and has an impact factor of 4.332 for 2017.
