

S.NO	Roll No	Name	Year	Sem	No of courses	Elite+ Gold	Elite+ Silver	Elite	Completed not completed	Name of the courses	How do you rate NPTEL platform has been useful to you as a self learning tool.1. Excellent 2. Good 3. Average 4. Not at all	How did the course you have taken on NPTEL platform helped you improve problem solving skills?	How do you rate NPTEL course you have enrolled fostered advanced learning beyond curriculum?	How do you rate the suitability of the platform to you for lifelong learning?	Overall feedback on the course you have taken
1	188T1A0506	B.Navya	2	2	1	1			1	Introduction to Programming in C	1	As the course I have taken contains weekly assignments to be submitted where problems were given to write code to solve those problems they helped me to improve my thinking capacity and problem solving skills.	The course "Introduction to programming in c" that I have enrolled covers many topics that were not part of our curriculum .This helps to learn the subject in deep beyond curriculum.	Since the NPTEL platform is fully online based and open for everyone irrespective of designation like student ,employee we can learn through out our life even if the designation varies from student to employee .It is the best platform for lifelong learning.	By considering all the factors ,the course I have taken became a lot of useful one. It made me to improve self-learning capacity,problems solving skills ,investigating on complex problems .The course also helped me to brush up my knowledge in c programming
2	178T1A0501	A.Swathi	3	1	1		1		1	The joy of computing using python	1	We are able to learn the concepts easily and easy for solving the real world problems.	It is 100% better in learning any course in practical manner	Platforms help in learning any course in practical manner	very good
3	178T1A0507	Sowjanya B.	3	1	1		1		1	The joy of computing using python	1	The course I had taken is The joy of computing using python that helped me to improve solving skills in a easy and dynamic in a simple process	4.5/5	4.0/5	The course is useful for me in solving complicated problems in a simple way
4	178T1A0508	B.Naga sai praveen	3	1	1		1		1	The joy of computing using python	1	The exam is good as it belongs to IITM IISC anyone from anywhere can do these courses	4.0/5	It is very useful for life long learning	it is useful course
5	178T1A0515	D.Lakshmi Raghavi	3	1	1		1		1	The joy of computing using python	1	The course I had taken is The joy of computing using python that helped me to improve solving skills in a easy and dynamic in a simple process	4.5/5	5.0/5	The course is useful for me in solving complicated problems in a simple way
6	178T1A0524	Alekhya G.	3	1	1		1		1	The joy of computing using python	2	No online platform can give such solving skills	3.5/5	4.0/5	the course is beneficial.
7	178T1A0527	G.Pradeep	3	1	1		1		1	The joy of computing using python	1	We are able to learn the concepts easily and easy for solving the real world problems.	learnt some advanced tools in python	platforms helps in learning any course in practical manner in detail.	good.
8	178T1A0528	G.Keerthi Poorna	3	1	1	1			1	The joy of computing using python	1	The course I had taken is The joy of computing using python that helped me to improve solving skills in a easy and dynamic in a simple process	4.5/5	4.0/5	The course is useful for me in solving complicated problems in a simple way
9	178T1A0530	Hemanth kumara Swam	3	1	1		1		1	The joy of computing using python	1	I have learned so many things from python session over all it is very useful	4.0/5	5.0/5	it is useful course
10	178T1A0532	K.Sampath	3	1	1			1	1	The joy of computing using python	1	I have learned so many things from python session over all it is very useful	5.0/5	5.0/5	it is useful course
11	178T1A0533	K.Asha	3	1	1		1		1	The joy of computing using python	1	The course I had taken is The joy of computing using python that helped me to improve solving skills in a easy and dynamic in a simple process	4.5/5	4.5/5	The course is useful for me in solving complicated problems in a simple way
12	178T1A0539	Laxmi Lahari	3	1	1		1		1	The joy of computing using python	1	The course I had taken is The joy of computing using python that helped me to improve solving skills in a easy and dynamic in a simple process	4.0/5	4.5/5	The course is useful for me in solving complicated problems in a simple way
13	178T1A0540	K.Yaswanth	3	1	1			1	1	The joy of computing using python	1	The course I had taken is The joy of computing using python that helped me to improve solving skills in a easy and dynamic in a simple process	4.0/5	4.0/5	The course is useful for me in solving complicated problems in a simple way
14	178T1A0543	K.Raja Sekhar	3	1	2			1	2	The joy of computing using python programming in java	1	In python session it tells the new approaches for solving some problem over all it is useful.	4.0/5.0	5.0/5	it is useful course
15	178T1A0545	Shiva Kumar K.	3	1	1	1			1	the joy of computing using python	1	the overall system of NPTEL is really good we got the questions and assignments time to time	It is 100% better in learning any course in practical manner	platforms helps in learning any course in practical manner in detail.	excellent
16	178T1A0547	M.Daya Rani	3	1	1		1		1	the joy of computing using python	1	the course I had taken is The joy of computing using python that helped me to improve solving skills in a easy and dynamic in a simple process	4.5/5	5.0/5	this course is useful for me in solving complicated problems in a simple way
17	178T1A0555	M.Chandini	3	1	1			1	1	the joy of computing using python	2	the course I had taken is The joy of computing using python that helped me to improve solving skills in a easy and dynamic in a simple process	5.0/5	4.0/5	this course is useful for me in solving complicated problems in a simple way
18	178T1A0559	M.Venkat Sai	3	1	1			1	1	the joy of computing using python	1	the course I had taken is The joy of computing using python that helped me to improve solving skills in a easy and dynamic in a simple process	4.0/5	4.5/5	this course is useful for me in solving complicated problems in a simple way
19	178T1A0563	K.Naveen	3	1	1				1	Practical Machine learning from Tensor flow	2	Practical Machine Learning with tensorflow helps me solve problems & get new insights using ,machine learning algorithms showing me a way to predict new results from existing data.	NPTEL course that I have done is based on Machine Learning I rate this course 5.0/5.	The videos and tests are available for the user lifelong either on swayam platform Or on youtube which helps the concepts .I think it is very helpful.	it is useful course
20	178T1A0570	M.Siri Lakshmi	3	1	1		1		1	joy of computing using python	1	We are able to learn the concepts easily and easy for solving the real world problems.	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.

S.NO	Roll No	Name	Year	Sem	No of courses	Elite+ Gold	Elite+ Silver	Elite	Completed not completed	Name of the courses	How do you rate NPTEL platform has been useful to you as a self learning tool.1. Excellent 2. Good 3. Average 4. Not at all	How did the course you have taken on NPTEL platform helped you improve problem solving skills?	How do you rate NPTEL course you have enrolled fostered advanced learning beyond curriculum?	How do you rate the suitability of the platform to you for lifelong learning?	Overall feedback on the course you have taken
21	178T1A0572	N.Gatatri laxmi prasanna	3	1	1				0	the joy of computing using python	1	We are able to learn the concepts easily and easy for solving the real world problems.	learnt some advanced tools in python	platforms helps in learning any course in practical manner in detail.	good.
22	178T1A0573	N.Manaswi	3	1	1			1	1	joy of computing using python	1	We are able to learn the concepts easily and easy for solving the real world problems.	learnt some advanced tools in python	platforms helps in learning any course in practical manner in detail.	good.
23	178T1A0577	N.Lalitha	3	1	1		1		1	joy of computing using python	1	we have been searching for many years how to get each student advanced at his or her own.recorded vedios lectures mis the collaboration comonent	learnt some advanced tools in python	platforms helps in learning any course in practical manner in detail.	good.
24	178T1A0578	E.Ranjani	3	1	1				0	joy of computing using python	2	the platform helped us to solve a few real world problems.	The course "Introduction to programming in c" that I have enrolled covers many topics that were not part of our curriculum .This helps to learn the subject in deep beyond curriculum.	the platform is very useful for life long learning	good.
25	178T1A0583	P.Jahnavi	3	1	1		1		1	joy of computing using python	1	we have been searching for many years how to get each student advanced at his or her own.recorded vedios lectures mis the collaboration comonent	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	excellent
26	178T1A0584	P.Ajimmunisa	3	1	1			1	1	joy of computing using python	1	we have been searching for many years how to get each student advanced at his or her own.recorded vedios lectures mis the collaboration comonent	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
27	178T1A0585	P.Rushithasri	3	1	1		1		1	joy of computing using python	2	This platform helps us to solve a few real world problems and it helped us improved our programming knowledge	This course has improved our way of understanding & solving problems in python programming knowledge.	This platform is very useful for lifelong learning for any of the courses related to the curriculum or also to the non-curriculum.	excellent
28	178T1A0588	P.Jayahladini	3	1	1		1		1	joy of computing using python	1	we were able to solve some of real world problems with the help of this course that we have enrolled.	We have learned a few tools in python which is related to this course and it was really helpful & beyond the curriculum	thisplatform helps in learning many courses in a practical and easy to understand manner.	excellent
29	178T1A0590	P.Laharika	3	1	1		1		1	joy of computing using python	2	we were able to solve or code some real world entities using python.	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
30	178T1A0593	R.Vindhya	3	1	1				0	joy of computing using python	2	we were able to solve or code some real world entities using python.	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
31	178T1A0594	R.Prasanna	3	1	1		1		1	joy of computing using python	2	we were able to solve or code some real world entities using python.	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
32	178T1A0595	S.Alekhyia	3	1	1		1		1	joy of computing using python	2	we have been searching for many years how to get each student advanced at his or her own.recorded vedios lectures mis the collaboration comonent	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	very good
33	178T1A0596	S.Imran	3	1	1		1		1	joy of computing using python	2	we were able to solve or code some real world entities using python.	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
34	178T1A0598	Sk.Thasliima	3	1	1		1		1	joy of computing using python	2	by getting the technical knowledge and the practical implementation.	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
35	178T1A05A2	S.Sai Priyanka	3	1	1		1		1	joy of computing using python	1	it improved the skills in python such as predefined methods of datastructure so the problem can be easily solved and several problems such as tictac toe magic square are explained.	The enrolled course helped me in exploring various libraries of python.	The platform offers various courses with a detailed syllabus and predefined lectures all the time in week wise assignment ,everyone can enroll.	very good
36	178T1A05A3	S.BhanuSri	3	1	1			1	1	joy of computing using python	1	we were able to solve or code some real world entities using python.	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
37	178T1A05A4	T.Dinesh	3	1	1			1	1	joy of computing using python	2	This platform helps us to solve a few real world problems and it helped us improved our programming knowledge	this course has improved our way of understanding & solving problems in python programming knowledge.	This platform is very useful for lifelong learning for any of the courses related to the curriculum or also to the non-curriculum.	good.
38	178T1A05A6	T.Deepika	3	1	1				0	joy of computing using python	1	we were able to solve some of real world problems with the help of this course that we have enrolled.	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
39	178T1A05A8	T.Sahithi	3	1	1				0	joy of computing using python	2	we were able to solve or code some real world entities using python.	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
40	178T1A05A9	T.YugaSravani	3	1	1				0	joy of computing using python	1	we have been searching for many years how to get each student advanced at his or her own.recorded vedios lectures mis the collaboration comonent	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
41	178T1A05B1	T.Vinuthna	3	1	1			1	1	joy of computing using python	2	This platform helps us to solve a few real world problems and it helped us improved our programming knowledge	This course has improved our way of understanding & solving problems in python programming knowledge.	This platform is very useful for lifelong learning for any of the courses related to the curriculum or also to the non-curriculum.	good.
42	178T1A05B2	V.Lavanya	3	1	1		1		1	joy of computing using python	1	we were able to solve or code some real world entities using python.	learnt some advanced tools in python	platform helps in learning any course in practical manner in detail	good.
